

Is a party a scary thought?

Does your child feel
overwhelmed at
birthday parties?

Is it hard for your child
to participate in loud and
busy environments?

BIRTHDAY PARTIES FOR CHILDREN WITH ADDITIONAL SUPPORT NEEDS

Bright Start Therapy will be hosting a range of tailor made parties to suit the sensory, developmental and social needs of the child to facilitate a fun and friendly way to celebrate their special day, just like everyone deserves!

The benefits of a Bright Start inclusive party

- It is a safe and accessible environment
- It is sensory friendly and socially inclusive
- Small numbers offers more facilitated play time
- Certified Paediatric Therapists as party hosts
- The Party design will build on your child's therapy goals
- Speak to us about funding options
