

Talk and Play

My child talks all the time but no one can understand what she says

My little boy is three years old and can't stay still

Bright Start Therapy Speech Pathology and Occupational Therapy Screening Service

Bright Start Therapists welcome you to come to our **Seaford Clinic** to receive a screening service for your child! Our therapists will look at a range of skills and development abilities including:

- Receptive Language Skills
- Expressive Language Skills
- Speech and Articulation
- Concentration and Attention
- Fine and Gross Motor Skills
- Sensory Preferences

Only \$30
for an OT
or
Speech
Screen!

If you would like to access this service please call Haylee on 0437 953 867 and she will book you in! You will be given a questionnaire and consent form to fill out prior to coming so your therapists can target the screening to best suit your child. We will discuss your concerns and provide recommendations on the day. Screens will go for approx. 30 mins.
